Dear Mr. Tennant,
This is just a little note to let you
know what a beautiful pool we have. We
are enjoying it so much. It was a
pleasure working with Chris Rogers. He is
a wonderful person and asset to your com-
pany. He was professional, kind and
courteous. He deserves a raise. When
you said a particular crew was going
to be here, on a particular day - it was
that was the best service ever.

Thank-you
Sincerely,

Karen, Jim, Andrew & Allison
Ward

We have already recommended
Gulfstream several times.
