

new did a fine job. In every
major construction job, there are
always a few things that don't
go quite as planned, but these
were corrected immediately.

It's also like to extend kudos
to Dad. I think his job must
be the toughest - but he was
VERY helpful, "above and beyond."

No, I didn't forget Bill, our
lesman. Thanks to his helpfulness,
we got exactly the pool that
it our needs.

Come on out + take a look
some time!

Sincerely,

Dear Jim and everyone -

I am so thankful for the job you all
did on our beautiful pool. This huge
project was one we entered in
with some anxiety, as we had
never built (or owned) a pool before.
We interviewed 6 builders before
settling on Gulfstream. The result
is a beautiful pool that Dan can
get in + out of independently with
his wheelchair lift. Now, if
we could just get some warm
weather!

Your office staff, Jennifer + Locke
were always courteous and
responsive, and each and every
